DETAILED ACTION

The finality of the last Office action is hereby withdrawn. An action on the merits follows. Claims 1-7, 9-16 have been cancelled per the instructions of the communication of 8/15/05.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claim 8 is rejected under 35 U.S.C. 102(b) as being anticipated by Gagnon et al. (D387,956). Applicant claims a fork with a handle with an enlarged end. Gagnon shows this in Fig 2. The inner tines are thin relative to the outer tines as claimed in the second paragraph of claim 8. In paragraph c applicant claims deformations of the handle shaft with enlarged flat surfaces. This feature of Gagnon is shown in Fig 4.

Conclusion

The remarks have been considered. The previous allowance of claim 8 is regretted. As pointed out above Gagnon appears to anticipate claim 8. The flat side portions is shown in the various figures.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within

Art Unit: 3724

TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
